7. [] Talked with Charles Johnson and John Martini, of the House Post Office and Civil Service Committee, regarding H.R. 8715. I advised them that a general prohibition on the fixing of salary rates in excess of the highest rate of Grade 18 posed problems for the Agency and indicated that we would like to discuss the matter further and submit a proposed exception to this provision for this Agency. They indicated their desire to work with the Agency in any way possible and suggested our proposed amendment be given to them tomorrow morning. Johnson indicated he was quite certain Representative Morrison would be willing to propose an amendment to take care of the Agency's problem.
